

Everyone's Invited to Mass Audubon's FREE Discovery Days

Join Mass Audubon for free fun-filled **Discovery Days** at select wildlife sanctuaries across the state with special activities for all ages. All **Discovery Days** will be held on Saturdays from 10am to 3pm, rain or shine.

Drop by and bring your family and friends – *everyone gets in free!* For more information, visit www.massaudubon.org/sanctuaries

Discovery Day Destinations

May 22, 10am – 3pm

Joppa Flats, Newburyport

Birding and Seashore Adventures

Discover birding on the Parker River National Wildlife Refuge, hunt for treasures on Plum Island's seashores, and hold live sea creatures from our touch tank aquarium.

June 5, 10am – 3pm

Wellfleet Bay, South Wellfleet

Spring Wildlife by the Bay

Go on an adult and kid-friendly guided tidal flats walk to seek out and tag horseshoe crabs, and join a scavenger hunt along Bay View Trail in search of native plants and animals.

August 7, 10am – 3pm

Wachusett Meadow, Princeton

Historic Farming Exploration

Explore the history and construction techniques of our 200-year old house and barn, make (and eat) hand cranked ice cream, and hike along one of the area's longest stone walls that leads to an ancient hickory grove.

September 11, 10am – 3pm

Ipswich River, Topsfield

River and Wetlands Investigation

Take a guided canoe paddle up the Ipswich River to look for turtles, birds, and muskrats; walk to a beaver lodge; discover pond creatures; and explore the famous "Rockery."

October 2, 10am – 3pm

Oak Knoll/Attleboro Springs, Attleboro

Attleboro Springs Wildlife Sanctuary's Grand Opening

See a live owl presentation, participate in hands-on ponding demonstrations, take a natural history tour, and make a fun, nature-inspired craft.

October 16, 10am – 3pm

Arcadia, Easthampton

Fields and Grassland Discovery

Explore an unvisited part of the sanctuary, catch grasshoppers, build bluebird and American kestrel boxes, and see live birds up close.

October 23, 10am – 3pm

Blue Hills Trailside Museum, Milton

Wildlife's Winter Preparations

Learn what happens to our local wildlife during the winter months. Hourly programs and activities will feature live native animals.
